

## The Institutionalization of Redneck Law.

(This was the law of the land for many years - before progressivism was popular)

### Redneck Code

1. If you touch my truck, I'll kick your ass.
2. If you touch my girl, I'll kick your ass.
3. If you touch my horse, I'll kick your ass.
4. If your ass is bigger than my ass, then I'll still kick your ass.
5. I will not resort to using weapons because an ass kicking is more embarrassing than being cut or shot.
6. I will come to the aid of my friends, but only when they need it.
7. I will join into an ass kickin' only when my friends are engaged in items 1 through 4, but if my friend touches your truck, girl, or horse, he's on his own.
8. If my friends violate rule 5, I'll kick his ass.
9. If you don't like me, I don't care.
10. If you don't like the rules, I don't care.

Next time we will explore the "redneck gold standard" (It used to be Budweiser, but has now been converted to Yuengling).
